

Knights of Columbus COUNCIL 6020 HUNTINGTON BEACH, CA.

Saturday November 12, 2022

Alvin,

I was very impressed and very happy when I met you in July on the day of Eucharistic Adoration signups at St Bonaventure last July. That day was actually the culmination of years of efforts to get our Council 6020 to become champions of Eucharistic Adoration. When you told me your calling to the priestly vocation came during Eucharistic Adoration on the 7th of each month I was overjoyed.

I knew as Grand Knights this Columbian Year (July 2022 to June 2023) I would want to especially support you in your vocation. The money you received today came from a number of Council 6020 Knights and we plan to support you throughout your journey to ordination.

Please let us know if ever there is anything the Knights can help you with.

I am currently recruiting Eucharistic Prayer Warriors right now to be a Knights and pray for the Knights especially in Adoration. We would be honored if you would join our Council. It will cost you nothing other than prayer time which I am absolutely sure will help the Knights become the champions of Eucharistic Adoration Bishop Vann has officially called us to be and which, so far, we not done.

Should you decide to join you can do so online at www.kofc.org/join note the promo code **BLESSEDMCGIVNEY** so you need not pay initial dues. Also there will be an agent referral code. Our current Faith Director is 28 year old Nick Bezzina. Nick's code is NBEZZINA if you can enter that.

To see what we are trying to do spiritually right now the links below will give you information.

www.kofc.org is the main Knights site. Of course the Knights are leaders in pro-Life.

www.kofc6020.org is our local Council site. We are Council 6020. We support St Bonaventure and St Vincent de Paul. If you click on the life link you will see an interesting set of images.

Right on the 6020 home page are four "Spiritual Extracts" links from the monthly meetings since I have been Grand Knight. They give a good idea where the Knights are trying to go. Even though this is me, the highest levels of the Knights support us working towards it. There is also below that an Archbishop Lori message only a month or so old. He is our "Supreme Chaplain" so it gives credence to what I said.

There is also www.kofc6020.org/gkintr that is a letter I wrote to all the Council 6020 brothers that includes some of what we talked about.

Vivat Jesus!

Steve,

Thank you for the invite! Unfortunately, I immediately left for the seminary after serving at the LA Cathedral of Our Lady of Angels for the Vietnamese martyr mass at 2pm on Sunday.

I hope to make it one of these days to the dinner and meet everyone who were so generous! I was looking at your council website last night including clicking through the powerpoint meeting minutes to listen to each one and saw how you were fundraising for me in July, August, September, October. It was incredible to hear you advocating for me so that I can focus on my studies and discernment without worrying about the finances.

I thank you again! I will be home around the holidays as I can't usually leave the seminary even on the weekend without permission as they are unfortunately strict on that so that we can focus on prayer, study, and formation.

I prayed for our benefactors today during community prayer at evening prayer. That the Lord may bless their good work!

Sincerely,
Alvin Huynh
Seminararian
