Knight of the Month

Congrats to Sam Kane, our August Knight of the Month. Brother Sam, often a member of the "bitter end" club (cuz he was there until the bitter end), was a regular at many of our Council events. In bittersweet news, Sam has left Huntington Beach, and he has moved to Washington DC to be near the love of his life. We wish Sam and Diana all the happiness and Joy that the Lord will provide and our thoughts and prayers go with them.

Leave No Neighbor Behind is our new program. As the coronavirus pandemic continues, our duty is to lead our families, protect our parishes, and serve our communities, remembering that where there's a need, there's a Knight.

Knights of Columbus are encouraged to serve and sacrifice for those around us. Many, including in our own Councils and Parishes, are isolated and alone in quarantine or secluded in their own homes. Many of our community are laid off from work, or furloughed. Some are sick. Food banks, blood centers, and other essential services have been depleted of their vital supplies. There are many people that require urgent help.

GRAND KNIGHT

Ed DeGroot / 714-653-0003

Good day brother Knights,

As you can see we are working to increase our outreach during these strange days of the pandemic. I look back on my first two months as your Grand Knight and I can't help but think of how proud I am to serve you all as your Grand Knight for 2020-21 Columbian Year.

As I look through the roster of men who are in council 6020, I see so many men acting in so many ways to build up our communities and our faith. I see Eucharistic ministers, Sacristans, parish finance council members, RCIA team members and leaders, Men's club officers, parish technical support, donut and hospitality members, lectures, faith formation instructors, youth leaders, and of course our deacons and Priests. And in the greater community I see Soccer coaches, US Military servicemen, Boy Scout Leaders, fathers, grandfathers, sons, brothers, and uncles. The value you add in all your roles in life makes up the great quilt we make with our lives. The Lord has blessed us with much indeed.

In this time when so many of us feel disconnected, keep in mind how many ways you participate in that great quilt that makes us community. And as we pray to see this pandemic pass (soon I hope), remember to cherish the piece of the quilt that each one of us makes. Take the time to act with purpose to love one another, help one another, and pray for one another. If you are looking for concrete ways to participate, call or email us.

Vivat Jesus,

Ed DeGroot

Knights' Prayer

Our Lady, Queen of the Knights, bless all the activities of our Order. Keep us true to our pledge, to extend the kingship of Thy Divine Son on earth. Through Thine intercession, win for us the grace, ever to exemplify in our public and private lives, the virtues that should characterize those especially dedicated to the service of the heavenly court. Make us always aware that as your Knights, we are constantly observed, our faith judged, and our Order appreciated. Accept, O Mary, this renewed pledge of fealty and devotion, of Thy Servants, the Knights of Columbus.

MEMBERSHIP CHAIRMAN

Tony Fotia / 520-449-2350

Brothers

I have started making membership request phone calls. So far, I am finding it going well.

I have spoken to many brothers, getting some interesting information. Its going to take time, but I believe it is worth the effort. When I am finished after the first round, we will be able to do a lot of updating. I find it very rewarding being able to speak to brothers I haven't spoke with in a while and those that I have never had contact with.

Many of the calls, has had me leaving a message. A few have returned my calls, but many haven't. I will continue to make calls soon. I would appreciate it if when I call you and leave a message that you please return my call. Not only am I going over our membership info, but I am collecting some important information that will help serve all of us better in the future.

Thank you. I hope to be speaking to you soon.

God Bless.

2020 BACK TO SCHOOL DRIVE

This year, the organization of students’ learning experience has drastically changed due to Covid-19.

Specifically,

	<ul style="list-style-type: none"> • supplies in classrooms cannot be shared • some learning will continue online • students’ interactions will be different with social distancing • student understanding will often be evaluated in different and creative ways 	
---	--	--

Happily, working and caring together, there are still ways to make a difference for them in their new circumstances.

Several organizations assist homeless families in Orange County and provide support and materials for their children in school. Case managers also work with schools and teachers to help the parents who cannot provide for all the needs of their children.

Below are three groups working locally and worthy of our support, along with some of the basic items mentioned by those who directly work with the children, and ways to help **NOW**.

Most charitable organizations **DO NOT ACCEPT DIRECT IN-PERSON** contributions at this time. They **ARE ABLE** however, to receive items ordered, paid, and delivered from vendors online (i.e., Amazon, Walmart, Target).

SPIRITUAL NUTRITION

AUGUST 2020

Deacon Jerry Wallace

Brothers

We are in the midst of spiritual warfare with Satan. There are attacks against the church, not in the religious arena but in the political one. The atheists who are leading this warfare have lured some politicians into their cause. In religion when there is dissent, excommunication is sometimes used. In politics dissent and freedom of religion are protected by the constitution. But we are now seeing excommunication as part of the political spectrum, for example the Knights are being accused of bigotry, which could be not further from the truth. This accusation was an attempt to keep a judge out of the federal court. The church does not work under a popular vote; it has dogma, not democracy. We follow the Pope. In politics, public opinion determines the rule and debate leads to a democratic decision. But many public people are being punished for having religious principle behind their beliefs and have lost their jobs for not being politically correct.

The point is, we must be aware that Satan is very active in this time of unrest. It is a very serious attack, so we need to be strong. Satan attacks the strong, so in a sense we should be encouraged that we merit these attacks. We are a real opponent. The Knights are right in doing God's work. We must continue praying as a community and we must continue to receive the sacraments to remain strong. While it will be difficult for a while, we need to let God take us where He wills.

Brother Thomas

Frater Dismas Farfan

Joshua Massat

Brother Thomas has been active in the pro-life movement, serving since 1990 at locations mostly in Southern California. His work has involved counseling women and men in crisis situations, educating them on the dangers of abortion, and assisting them with information on alternative resources.

As a Brother, he hopes to instill in young people a love of their God, country, and their fellow human beings, something which is lacking in many schools today. In an increasingly secular world young people need proper guidance to steer them in the direction of love of God and neighbor and in building a strong set of moral values as well as motivational skills to succeed.

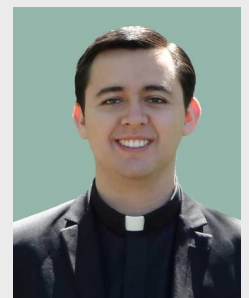

Frater Dismas Farfan O.Praem, has been a local Orange County resident since he was four years old. He grew up loving life and wanting to be either a Navy SEAL or a professional athlete, but ended up becoming a CPA and served businesses throughout Los Angeles and Orange.

However, a couple of years after a “wake-up” call from the Holy Spirit, he decided to join the Norbertine Fathers at St. Michael’s Abbey so that he could leave the secular world behind and help others do the same.

Josh Massat was raised a non-denominational Evangelical Protestant. He was home schooled and earned a BA from UCI in Literary Journalism. During a trip to France in 2006 while visiting many churches and museums, he received a calling to look into Catholicism. After much study and prayer, and spiritual crisis, he made the decision to become Catholic. He was confirmed on Easter 2008 and started to attend St Vincent de Paul in early 2009. For the past decade, he’s been working for a health group in California and bouncing back and forth between here and the Franciscan friaries on the East Coast. His 4 years of postulancy has gone through numerous delays, but he is finally about to move on to the next stage of his journey

Father Erialdo Ramirez Alfaro

Fr Erialdo first heard God’s call to the priesthood when he was 13 years old. He encounters God throughout the Scriptures, Church teachings, and the Sacraments, especially in the Mass and the sacrament of Reconciliation. The example of Pope Saint John Paul II inspired him to become a holy priest with a missionary heart. He was ordained last year in the first class at Christ Cathedral. It was a privilege to support Father on his journey.
